Sudoku

In case this is your first experience with this popular puzzle format, the rules are simple: fill in the numbers 1-9 within the grid so that each number appears exactly once in each row, column, and 3x3 sub-square.

6		2	4			9		5
				1		8		6
1	7		6		9		2	
2				9	6	5		8
	1		8					9
8				5	7	1		
7				3			9	
	9		7		1			3
3			9		2			7
